Total Hours: 127

*Required only for students who have completed less than 26 CH after High School graduation

**Students transferring lecture portion of the course from another institution are required to complete 1CH of lab at SIUC.

Academic policies as well as degree and major-specific requirements can be found at catalog.siu.edu. All students are encouraged to meet with the academic advisor on a regular basis to ensure timely progress to degree.

University Core Curriculum (UCC) is satisfied with the transfer of an Associate of Art or Science (AA or AS) degree or the completion of the Illinois Articulation Initiative-General Education Core Curriculum (IAI-GECC) from an Illinois community college.

Capstone Option is available for students who have earned or will soon earn an Associate in Applied Science (AAS) degree, Associate in Engineering Sciences (AES) degree, or equivalent certification. Number of UCC credit hours required for transfer students admitted under Capstone Option may be less than those shown above.
